#### IN THE CLAIMS

Kindly amend the following claims:

Claim 2, third from last line, please delete "of the" and insert therefor --of a--.

Claim 4, lines 1 and 2, please delete "either of Claims 1 and 2" and insert therefor  
--Claim 1--.

Claim 8, line 3, please delete "methoxy" and insert therefor --methylether--.

Claim 11, line 4, please delete "methoxy" and insert therefor --methylether--.

Claim 14, line 2, delete "in that" and insert therefor --characterized in that--.

Claim 17, line 2, please delete "isocyanate";

line 3, delete "methacryloyl" and insert therefor --methacryloyl isocyanate--.

Claim 32, line 2, please delete "Claims 29 to 31" and insert therefor --Claim 29--.

Kindly insert the following claims:

Al  
S  
B  
--34. Solid polymer electrolyte according to Claim 2, characterized in that the methacrylonitrile polymer is a copolymer of methacrylonitrile and of at least one acrylic or methacrylic comonomer.

35. Process for the preparation of a methacrylonitrile polymer according to Claim 30, characterized in that it comprises a crosslinking stage after the polymerization stages.

36. Process for the preparation of a methacrylonitrile polymer according to Claim 31, characterized in that it comprises a crosslinking stage after the polymerization stages.--

**IN THE ABSTRACT**

Please add the Abstract of the Disclosure that is provided on a separate sheet.

**REMARKS**

By the present Preliminary Amendment, Applicants have amended the claims to remove the multiple dependencies in the claims. As well, the specification has been amended to correct numerous typographical error and to insert appropriate headings in conformance with practice in the United States and to add the Abstract of the Disclosure.
